

## Perth Scorchers Women's League FAQ's

### ***What is it?***

The Perth Scorchers Women's League is a competition designed for women of all experience levels to have a go at cricket. Targeting women new to the sport or those returning to the game, this competition has modified formats to provide an environment conducive to fun and learning and is centred around a participation focus. The Perth Scorchers Women's League (PSWL) has bridged the gap between social cricket and the Premier Cricket women's competitions.

### ***When does it run?***

The PSWL games run on Sunday afternoons at 2:30pm beginning mid-October and ending before Christmas (in alignment with School holidays). The second competition begins again early February and is finished by the end of March. As we run a split season competition to allow teams to enter over the Summer holidays, there are two competition periods, both of which run for 8 weeks. Each team will either play a home or away game and are required to set up the grounds if it's a home game, or make their way to the grounds if it is hosted by another Club.

### ***How do we create a women's team?***

The WACA currently organise and administer the women's league competition and can support your club in promoting and establishing a women's side. We can provide the Club with the following:

- Promotional material (editable flyers and including the Club's name on any WACA promotions)
- Competition rules and playing conditions (administrative information)
- Coaching support (depending on availability)
- Development opportunities for players

### ***What is the registration process?***

Currently, registration for the PSWL is done via a form which is sent out to all interested Clubs, and must be returned to the Competitions Manager prior to season start. The cost involved is outlined below:

- \$250 per competition per team
- \$300 for the entire season (2 competitions – one prior to Christmas and one after Christmas)

This payment is made via credit card online or via bank transfer.

### ***What do the Club have to provide?***

The Club are responsible for the following:

- Organising a coach for the ladies

- Running training/s
- Organising uniforms
- Providing a home ground (and a back-up home ground)

### ***What do the WACA provide?***

The following things are included in your registration cost, which the WACA will provide and oversee:

- Umpires for every match
- Match balls (provided at the start of the season)
- Trophies and awards
- End of season functions
- Information sessions
- General support and feedback opportunities

### ***Who do I talk to if I want more information?***

If you have any questions or require any help in beginning a new women's side, or building an existing team, please don't hesitate to contact the WACA for further support.
